

Screw-in adapter for vibration sensors

PEEK-ADAPTER

Application

Design	for vibration sensors VSA001, VSA101, VSA201
--------	--

Operating conditions

Ambient temperature	[°C]	-30...260
---------------------	------	-----------

Note on ambient temperature	briefly: 300 °C
-----------------------------	-----------------

Tests / approvals

Pressure Equipment Directive	A possible classification to PED depends on the application and has to be carried out by the user / operator.
------------------------------	---

Safety instructions	The compatibility between medium and product material has to be checked in all applications.
---------------------	--

Mechanical data

Weight	[g]	8.2
--------	-----	-----

Dimensions	[mm]	M8
------------	------	----

Thread designation	M8
--------------------	----

Materials	PEEK
-----------	------

Sensor connection	M8 x 1,25 internal thread
-------------------	---------------------------

Process connection	threaded connection
--------------------	---------------------

Remarks

Remarks	When necessary, secure the thread with industrially compatible glue, e.g. DELO - ML 5249
---------	--

Pack quantity	1 pcs.
