

Notice of Product Obsolescence

Affected Products

Model Number	Description
ST321A-100-ASSY	Millennium II Solid State H ₂ S Sensor - 0-100ppm - Aluminum
ST321S-100-ASSY	Millennium II Solid State H ₂ S Sensor - 0-100ppm - Stainless Steel
ST321-100	Replacement Solid State H ₂ S Sensor Module

April 21, 2015 - This serves as formal notification that effective immediately, Net Safety Monitoring is discontinuing the sale of the ST321 solid state H₂S gas sensor. The ST320 electrochemical H₂S sensors can be used as an alternative for the ST321 sensors. The model numbers are listed below.

Alternative Products

Model Number	Description
ST320A-100-ASSY	Millennium II Electrochemical H ₂ S Sensor - 0-100ppm - Aluminum
ST320S-100-ASSY	Millennium II Electrochemical H ₂ S Sensor - 0-100ppm - Stainless Steel
