

Grinding protection for the installation of G1/2 welding adapters

SEALING EDGE GRINDING PROTECTION

- 1 hemispherical cap Ø 70mm
- 2 hexagonal head screw ISO 4017 M12x70 A2
- 3 half shell Ø 70mm
- 4 hexagon nuts DIN 934 M12 A4
- 5 protective sleeve
- 6 welding adapter E43919 not supplied

Application	
Design	grinding protection for the sealing edge of the G1/2 taper seal welding adapters E43919
Application	grinding of welded adapters
Mechanical data	
Weight [g]	391.3
Materials	half shell: stainless steel (304/1.4301); hemispherical cap: stainless steel (304/1.4301); hexagonal head screw: stainless steel; Hexagon nut: stainless steel; protective sleeve: PP
Remarks	
Pack quantity	3 pcs.
